

Watch out for this sticker.
When you have seen one
you can be sure to find an
accessible restroom in the
City of Detmold.

These toilets can be visited **for free** during regular opening time - and certainly they could be used during all public events in the city centre.

During **public events** in the city, it is up to the restaurateur itself, to require a **service fee** for the use of its toilet system.

All public toilets for handicapped people can be used continuously from 00:00 - 24:00 h.. In case of disability, please apply for a special key by presenting your disability pass for € 25 at the following address:

Bürgerberatung
Paulinenstraße 45
32756 Detmold
Tel. 05231 977-580

This key also gives you access to restrooms for handicapped people in many German motorway restaurants, cities and in neighbouring countries like Austria, Switzerland and other European countries.
